Subject: **NEW! CARB-EVR Certified 723V Pressure Vacuum Vent**

OPWRF-2016-0822

Breathe easy. Be compliant. Save money.

Dear Valued Distributor,

Blue is the New Green!

OPW is proud to announce release of its new CARB EVR-Certified 723V Pressure Vacuum Vent. The new OPW 723V:

- Meets all CARB and Enhanced Vapor Recovery (EVR) requirements
- Certified for use on all existing standard gasoline Phase I Vapor Recovery Certification Phase I EVR Executive Orders.
- Is UL 2583 approved
- Complies with National Fire Protection Association (NFPA) 30 requirements for venting gasoline vapors
- Provides for quick, easy visual compliance verification from ground level
- Has the best price point in the industry

The 723V installs at the top of a vent pipe on underground and aboveground fuel storage tanks. The 723V is specially designed to manage tank vapor pressure and prevent contamination commonly caused by water, debris or insect intrusion through the vent stack.

Featuring OPW's highly durable, corrosion-resistant Duratuff® body construction, robust seals and stainless steel screen filters, the 723V is designed for reliable, long-life performance. Keep the sky **Blue**, the earth **Green** and your Compliance Budget in the **Black**!

Technical specifications of the 723V include:

- 65-micron stainless steel screen to prevent debris and insects from entering the tank vent lines with a bonus screen at the base to protect the vent stack
- The ability to manifold vent pipes or install multiple pressure vacuums vents on a single site while maintaining a vapor leak rate less than the maximum allowable
- A high maximum flow rate of 6,450 SCFH (standard cubic feet per hour) at 2 PSI pressure drop
- Cycle tested to the equivalent of 80 years of service without leakage in the most severe environment.

2" and 3" NPT thread models of the NEW 723V are AVAILABLE FOR STOCKING now.

Ordering Specifications

| Part Number | Description | List Price |
|-------------|---------------------------------------|------------|
| 723V-2203 | 2" Thread-on, 3" wc pres., 8" wc vac. | \$388.58 |
| 723V-3203 | 3" Thread-on, 3" wc pres., 8" wc vac. | \$418.09 |
