

SURF'S UP.

With the newly redesigned Tandem Surfline, throughput and profits will be up too. Now faster and more efficient than ever before, the most innovative automatic friction wash just got better.

A second side brush helps get customers through quicker, and our wall-mount system and Ultimate Cover package is now standard. Pumps and solution controls are off-board. And with all non-corrosive materials and optional Ultimate Lighting packages, the Tandem Surfline will always look as good as it cleans.
