

# Foam Bullet®

Foam Bullets® deliver a powerful foaming light show & targeted chemical application – anywhere you want.

Their flashing LED-illuminated nozzle housings attract attention, in your choice of **RED**, **GREEN** or **BLUE** lighting to announce services or facilitate site branding.

A variety of nozzle styles allows you to customize chemical delivery, and enhance your customers' experience.

Ultra-low chemical usage, as low as one-sixth oz. per Foam Bullet®, supports an unmatched ROI.

Multiple mounting options empower you to add Foam Bullets® to existing equipment anywhere in your bay, while Multi-Axis™ Mounts enable you to effectively target any vehicle surface.
