736 22 KUNGSÖR

Certificate regarding products for thermoplastic fuel-systems according to EN 14125:2013

(1 appendix)

Manufacturer:	OPW Sweden AB, Kungsör
Product range:	Specified in Appendix 1
Certificate No:	601401
Certificate valid until:	2020-12-31
Agreement regarding audit inspection and audit testing:	210-17-0027

This certificate covers only those items listed on the attached page, and should only be reviewed or reproduced in full.

Applications: Fittings for positive pressure and vacuum suction delivery, with or without secondary containment Type SC2.

Scope: This is to certify that representative samples from each product group according to the appendix have been tested in the past according to relevant parts of EN 14125 by *RISE Research Institutes of Sweden*, (former SP). The minor changes and alterations to the products is judged not to affect the product performance.

Full details are given in the SP initial inspection report 6F024057 and the following test reports: F908271A, F908271B, F908271E, F923799, FX21690B, FX120919, 3F000102, 3F011024, 6F011300, 6F014266 and 7F000332.

RISE audit inspection report: 7F021726, 8F026999

RISE audit testing report: 7F021721, 8F027000

The manufacturer, OPW Sweden AB, is judged to have quality routines and control that facilitates an uniform quality of the products specified in appendix 1 of this certificate.
