

NOTES:

1. Pipe plugs can be supplied with attached chains.
2. Specify chain material, size and length when ordering.
Example: 201 SS/CS, 3/16 x 12 is a 2" stainless pipe plug with a steel 3/16 x 12" long chain.
3. Stock chains shown, alternates are available.
4. For 23-CH, this dimension is 1 1/8".
5. For gall resistant threads and improved corrosion resistance, add suffix "-P".
