Standard Bottom-Loading Equipment

Leading The Way in Terminal Solutions Worldwide

Hose covers are recommended for all OPW Bottom-Loading Arms. These easy-to-install, zippered covers help drivers quickly identify the product being handled. This not only helps protect the equipment, but also helps avoid costly cross contamination of product.

- Prevent unsightly scuffs to costly tank logos
- Visually identify petroleum products
- Protect drivers from protruding wires
- Available in all API color codes
- Custom lengths & sizes available

Construction Details:
- Inner Jacketing: Sun-Resistant Heavy Duty Nylon
- Outer Jacketing: Sun-Resistant Heavy Duty Nylon
- Thread: Teflon-Coated Fiberglass Thread
- Inner Core: Foam
- Attachments: Heavy Duty Zipper
