

LASERWASH[®] AutoXpress[®]

**Touch-Free Vehicle Wash...The Other Choice For
Fast, Superior Cleaning**

“Switching to the PDQ LaserWash[®] AutoXpress system has been a great decision by our dealership! It provides a fast and quality clean on every wash cycle, eliminates vehicle damage, increases customer satisfaction and loyalty, and differentiates our dealership from others in the area. We couldn't be happier with the PDQ Laserwash[®] system!”
