SPOUT!

OPW 19DEF
Series Nozzle

When you're responsible for ensuring the safe, reliable and affordable dispensing of Diesel Exhaust Fluid (DEF) for on-road, off-road, commercial and industrial heavy-duty trucks, farming or other diesel powered vehicles, you DEFINITELY rely on the most trusted name in dispensing nozzles – OPW.

The global standard for more than a century, OPW nozzles are built to perform better and last longer* than any other brand to deliver unprecedented peace-of-mind, ROI, and performance. The NEW OPW 19DEF Series Automatic Nozzle is specifically designed for your commercial and industrial fleet operations, offering unmatched reliability with the features you want:

- ◆ **New stainless steel spout** – provides optimum DEF purity and prevents corrosion
- ◆ **Lowest Overall Cost of Ownership** – reliable, long lasting design based on proven OPW quality platform and industry standard-setting technology
- ◆ **Ease of Use** – sleek, lightweight design with patented Accu-Stop® Flow Control Technology and convenient one-finger hold-open clip to set flow rate
- ◆ **Guaranteed DEF Compatible** – all materials of construction are 100% tested for DEF compatibility
- ◆ **User Comfort** – attractive 2-Piece Newgard™ Hand Insulator is the most comfortable nozzle in the industry in hot or cold weather
- ◆ **Vehicle Protection** – our Duratuff® lever guard not only provides for rugged durability when dropped but it won't scratch your fleet vehicle

NOTE: The OPW 19DEF Series Nozzles are for commercial fleet applications only and are not UL Listed for gasoline dispensing facilities.

* OPW internal lab cycle testing results with DEF as of August 2013.
