OPW New Pipe Cutter

Dear Valued Distributors:

We're proud to announce the new and improved OPW ratchet pipe cutter!

This powerful tool makes it easy to cut through OPW FlexWorks pipe up to 2" with a clean, professional-quality finish. The Teflon coated hardened steel blade makes clean, burr-free cuts repeatedly, and the spring-loaded ergonomic handle provides a comfortable grip for extended use.

This new pipe cutter replaces the legacy PCT-1000 pipe cutter and should be used in place of the PCT-3000 roller style cutter on all OPW Flexworks pipe with diameters 2" or less.

**Part Number and Pricing:**

Below, you will find the OPW ratchet pipe cutter part number and list price:

Part Number	Description	List Price
PCT-2000	Ratchet Style Pipe Cutter, 3/4" to 2" OPW FlexWorks Pipe	\$129.69

The PCT-2000 pipe cutter is the perfect tool for the job site when working with OPW FlexWorks pipe and is recommended for all OPW pipe 2" or less.

If you have any questions, feel free to contact your OPW District Manager or our Customer Service Department at 1-800-422-2525. If you would like more information on our complete product line, please visit our website at www.opwglobal.com. Thank you for your continued support and stay tuned as we continue to Define What's Next!

Regards,

Elliott Gladden
