# CONQUISTADOR™

## DURATUFF

COMPOSITE LID MANHOLE

ON THE LEADING EDGE OF LIGHTWEIGHT, RELIABLE

AND AFFORDABLE COMPOSITE MANHOLE COVERS

The Conquistador™ Duratuff from Pomeco/OPW helps put an end to the risk of back, foot and hand injuries, featuring a slip-resistant tread pattern and lightweight, low-profile construction for easier and safer access to tank sumps. Significantly lighter than traditional steel manhole covers and many manufacturers' composite covers, the Conquistador™ Duratuff is now stronger than ever, reinforced with a unique, stitched, structural fiberglass matrix to ensure long-term durability. The Conquistador™ Duratuff sets the standard in lightweight, economically priced and extremely durable composite lid manholes.

### THE CONQUISTADOR™ DURATUFF - AFFORDABLE CONVENIENCE

- ◆ ECONOMICALLY PRICED
- ◆ LIGHTWEIGHT
- ◆ EASY AND SAFE TO REMOVE AND REPLACE
- ◆ EXTREMELY DURABLE
- ◆ WATER-RESISTANT MODELS AVAILABLE
- ◆ BOLT-DOWN MODELS AVAILABLE FOR ADDED SECURITY
- ◆ COMPLIANT WITH CARB REGULATIONS FOR SOLAR REFLECTIVITY
- ◆ INTERCHANGEABLE WITH OTHER MANUFACTURERS' COVERS
- ◆ SLIP-RESISTANT TREAD PATTERN

# THE POMECO CONQUISTADOR™

## DURATUFF SUMP ACCESSIBILITY HAS NEVER BEEN EASIER OR SAFER

The Conquistador™ Duratuff Composite Lid Manhole is super strong, extremely safe and convenient. Available in 36" and 41" full-bore inside diameters to accommodate larger tank sump covers, the Conquistador™ Duratuff features a gray coloring with a 55% light reflective value to comply with CARB regulations for solar reflectivity. Lightweight enough to allow for one-person, single-motion removal and replacement, yet load rated to over three times H2O (D.O.T. standard for highway loading) with a minimum of deflection, the Conquistador™ Duratuff offers the ultimate in user-friendly convenience and long-lasting performance.

- ◆ Slip-Resistant Tread Pattern
- ◆ Easy Removal and Replacement
- ◆ Two Lifting Options
- ◆ Reduces Risk of Back, Hand and Foot Injuries
- ◆ Unmatched Deflection Performance
- ◆ Outstanding Long-Term Durability in Rigorous Cycle Tests
- ◆ Three Mounting Options
- ◆ Unique Structural Fiberglass Reinforcement Matrix

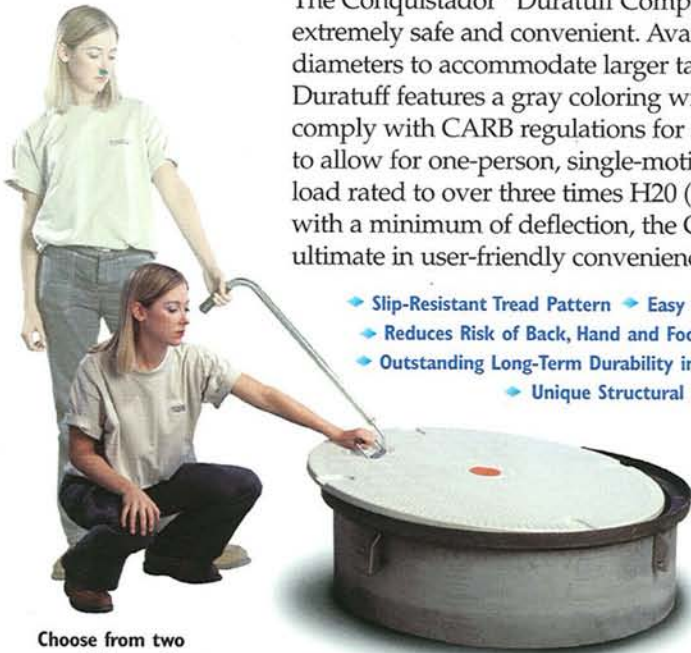

Textured surface prevents skidding.

API color-coded product I.D. tags.

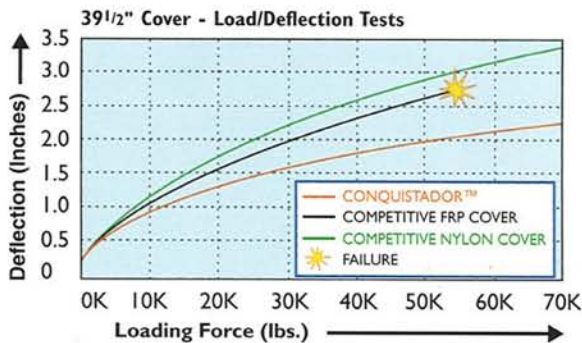

The new Conquistador™ features three mounting options to meet your specific needs, including:

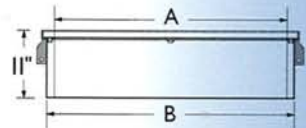

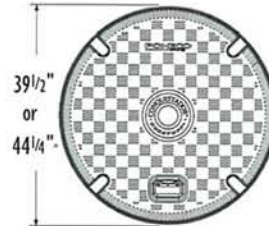

Choose from two easy lifting options for one-step manhole cover removal.

(90K-KLS Stick Not Included)

The Conquistador™ Duratuff's unique structural fiberglass construction provides load strength and durability performance that are unmatched.

COVER	A	B	COVER WT.	ASSEMBLY WT.
39 1/2"	36 1/32" 92cm.	38 5/8" 98cm.	65lbs.	125lbs.
44 1/4"	41 1/8" 104cm.	43 13/32" 110cm.	85lbs.	157lbs.

Versatile Conquistador™ Duratuff covers are retrofittable to many manufacturers' mounting rings, and are available in 36" and 41" inside diameters to allow for easy removal and replacement of tank sump covers.
